Why Sponsor MMS?

If you are contemplating using radio to deliver your message, we'd like to help you make informed decisions. Here are some of the advantages for using this popular medium.

In-Car Listening Facts: Arbitron is the ratings firm that surveys and analyzes radio usage. A recent national Arbitron sponsored In-Car Study found that 96% of those who have driven or ridden in a car in the past month have used the car radio. More than 80% of 35-64 years olds say they spend most of their time with radio.

- 5.6 radios per household
- Americans spend more time listening to radio than any other medium 6am-6pm.
- Radio gives you the opportunity to effectively target your message to a specific audience.
