Reserve Your Copy of our New CD!

Many of you have been asking about our new CD and how to reserve a copy. You can now pre-order by [clicking here](#).

We are still in the recording process however we hope to have it complete and ready for sale by the end of September. What we are doing now is collecting names and contact information and when the CD is available we will contact you to make payment arrangements and shipping.

The cost of the newest project will be \$15 but if you sign up now, you will receive FREE SHIPPING.

By completing the form, you are only asking us to contact you when the CD is available.
